

SUMMARY

Future Architecture student focused on Interior Architecture & Design. Revit-certified with a strong foundation in spatial reasoning and an interest in how intuitive, human-centered spaces influence behavior and well-being. Seeking opportunities to gain hands-on experience, learn from design professionals, and deepen my understanding of the built environment.

EDUCATION

Wake Forest High School
GPA 3.9 weighted
Expected graduation Jun 2027

SKILLS

- Attention to Detail
- Communication
- Collaboration
- Time Management
- Organization
- Creative Problem-Solving
- Critical Thinking
- Design Thinking
- AutoCAD
- Revit-certified
- Spatial Awareness
- Technical Drawing

LANGUAGE

Spanish - Intermediate

CLUB AFFILIATIONS

- National Achievers Society
- Beto Club
- National Honor Society
- Fellowship of Christian Athletes
- Random Acts of Kindness: Club (RAKC)
- Black Student Union
- ACE Mentor - Mentee

EXTRACURRICULAR ACTIVITIES

Varsity Lacrosse - Player | Manager

JORDYN K. WILLIAMS

Architecture | Interior & Behavioral Design 

WORK EXPERIENCE

Sep 2026 - Present

Barnes & Noble

Barista & Bookseller

- Provide customer service across the bookstore and café, assisting customers with book searches, purchases, recommendations, and café orders.
- Prepare beverages and food items, process transactions, organize and restock merchandise, and help maintain welcoming, organized bookstore and café spaces.

May 2023 - Sep 2023

Parrot Swim School

Junior Swim Coach

- Coached swimmers ages 4-9 on basic water skills through simple instruction and demos.
- Supported the head coach with attendance, progress tracking, and equipment setup

PROJECTS

2026 | NCNOMA (North Carolina National Organization of Minority Architects)

Project Pipeline Summer Camp

Project Lead - Community Hub

- Served as Lead Designer for a Community Hub concept centered on an "Eat, Play, Live" vision, integrating residential, retail, dining, entertainment, recreation, and parking into a mixed-use environment.
- Developed the concept from mood boards and design inspiration through spatial planning and a 3D model, translating the team's vision into a cohesive community design.

2025 | ACE Mentor - RDU

Tiny House Design Challenge

- Co-designer - The Chef's Corner
- Co-designed a Spanish-inspired energy, efficient tiny home for a chef.
- Studied affordable housing constraints, interior ergonomics, LEED factors.
- Developed renders and material plans using sustainable design principles.
- Earned Best Presentation among 50+ teams within the region.

2026 | ACE Mentor - RDU

Ideal Innovative High School Design Challenge - Water-proof High School

- Led the design of a 50,000-square-foot, two-story high school concept in downtown Raleigh, developing architectural layouts, site plans, and a 3D model.
- Applied sustainable design principles, LEED considerations, interior ergonomics, and real-world constraints to develop functional, flexible, multi-use learning spaces.
- Created architectural renderings and material plans to communicate design concepts, sustainability features, and spatial functionality.
- Earned Best Presentation recognition among 50+ regional teams.

COMMUNITY | VOLUNTEER SERVICE

Susan G. Komen - Clean-Up Associate

- Set up and break down event spaces with a focus on safety and care.
- Freelance Valuner - Wake Forest High School
- Prepared PT5A and teacher appreciation goodie bags.
- Set up school and community events: dances, carnivals, and festivals.
- Run basketball game concession stand, sales, cash handling, and customer service

Toy Distributor - Friendship Chapel Baptist Church

- Distributed toys to children during community events, supporting organized crowd flow and positive family experiences.

Backpack Buddy Volunteer - Backpack Buddies Non-profit

- Prepared and packed food and supply backpacks for students, supporting consistent access to basic needs during the school week.

Lasagna Love

- Prepared and delivered home-cooked meals to local families during uncertain times, coordinating timing and dietary needs.
- Communicated with recipients to ensure smooth delivery and reliable follow-through.
